

**Rilke Schule German School of Arts and Sciences
Policy Agreement/Supplemental Resource and Activity Fee Agreement**

The Rilke Schule German School of Arts and Sciences is a “school of choice” for ASD students. Each student must comply with the school rules and standards. There is a non-refundable annual fee of \$100 per child (\$90 for every additional child in your family.) This helps to off set the cost of incidental expenses, resources for in-house activities, and special school supplies, such as art and science supplies, German schoolbooks, and specialized German materials, which differ from class to class. This fee covers at least a portion of the last field trip for each class. This amount will be determined near the end of each school year. This fee **does not** cover the regular classroom supplies each student needs. A supply list will be issued for each grade level before school starts.

The Academic Policy Committee has set a requirement of 4 hours of volunteer time per family per month. (If you absolutely cannot provide the school with 4 hours/month, you may make a \$16.00/hour contribution to help us offset having to hire someone in your place.)

I would like to enroll my child at Rilke Schule German School of Arts and Sciences and agree to abide by the policies and rules. I agree to pay the supply fee for my child(ren), and to volunteer 4 hours per month.

This is non-refundable should I decide not to enroll my child at Rilke Schule for the 2009-2010 school year. The supply fee will be due during registration in August 2009.
